This horse has an ancestor known to carry HYPP, designated under AQHA rules as a genetic defect. AQHA recommends testing to confirm presence or absence of this gene.

This is to certify that the above named and described horse has been registered in the Stud Book of The American Quarter Horse Association.

PROSPECTIVE PURCHASER — Check the horse's markings, color and age, against this certificate. This certificate is issued in sole reliance on written application submitted by the owner at time of foaling, without further verification by the Association. Ownership of this certificate is retained by the Association, and issued upon express condition that the Association has the continuing privilege to demand immediate return thereof for correction, cancellation, or any other official reason under Association rules, and pending resolution of the matter, the Association may retain possession thereof.
